Bradley, Jimmy 2 #/1844 | Mo Pen | SA Ayers

X1-7

Says he has been in MSP since 1965, has been involved in every racket in MSP, has attempted to escape, and has helped others escape. Never heard of Cooley's organization or a King bounty. Never heard of Ray using a uniform to escape or ever having contraband ammunition in prison.

Says John Stout did not give amphetamines to Ray, and would not say who did.

Reports that Jimmy Wallace saw Ray and 2 ex-cons in St. Louis in Summer 1967.

Says "Dags" could be John Paul Spika.
